

How We Can Help

- Superior services that will help you stabilize and improve behavioral health and/or substance abuse outcomes.
- Our staff will act as your advocate/facilitator/treatment provider to ensure your needs are met.
- We provide you with access to a multi-disciplinary team of competent staff.
- The P.A.T. Center will provide you with comprehensive services (telemed/telehealth, medication management, therapy, case coordination/support).
- We will meet you wherever you are comfortable. We provide services via telehealth, in-home, school, and the office.
- You will have access to 24 hours, 7 days a week services when in crisis.

About Us

Ronald Kirby is the founder and owner of **The P.A.T. (People Advocating Transition) Center CO; The PAT Center II dba The P.A.T. Center.** We are a behavioral health and substance abuse treatment company dedicated to the provision of outpatient services for children/adolescents, adults, and families. The P.A.T. Center began operations in 2008. Among our accomplishments include membership in the Minority Business Owners Association, National Health Service Corp site, certification through the state of Arkansas as a Outpatient Behavioral Health/Substance abuse company, and accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF).

We embrace a person-centered philosophy where the persons served is the ultimate authority in their treatment. It is the practice of The P.A.T. Center to use evidence-based treatment. The P.A.T. Center's **administrative** office is located @ 620 South Laurel in Pine Bluff, AR.

LEADERSHIP:

Ronald Kirby, Chief Executive Officer
Kristin Gannoe, MD, Medical Director
Nicole Johnson, Clinical Director
Bruce Horton, Director
Allen Cooper, Director

Our Mission

The **Mission** of The P.A.T. Center is to:

- Provide mental health and/or substance abuse services to persons-served via therapy, medication management, education and collateral support
- Provide a safe and humane treatment environment for staff and persons-served
- Provide information on community programming and resources to strengthen the family and/or support structures
- Provide information to reinforce individuals/family work ethics
- Provide support, continuity of care and access to professionals and support staff; staff provides an array of services and receives training in recovery, resiliency, and peer support
- To provide quality alcohol and drug treatment, intervention, and prevention services; and assist persons-served to transition maladaptive behaviors and unhealthy coping mechanisms/skills to normative conduct.
