

## How We Can Help

We provide services that will help you stabilize symptoms and improve behavioral health and/or substance abuse outcomes.

Staff will act as an advocate/facilitator/treatment provider to ensure your needs are met.

The P.A.T. Center will provide you with comprehensive services (telemed/telehealth, medication management, therapy, case coordination/support) by qualified staff.

We provide services via telehealth, in-home, school, and the office.

24 hours, 7 days a week services.

## The P.A.T. Center

## Behavioral Health and Substance Abuse Treatment

## About Us

Ronald Kirby is the founder and owner of **The P.A.T. (People Advocating Transition) Center CO; The PAT Center II dba The P.A.T. Center.** We are a behavioral health and substance abuse treatment company dedicated to the provision of services for children/adolescents, adults, and families. The P.A.T. Center began operations in 2008. Among our accomplishments include membership in the Minority Business Owners Association, National Health Service Corp site, certification through the state of Arkansas as a Outpatient Behavioral Health/Substance abuse program, and accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF).

We embrace a person-centered philosophy where the persons served is the ultimate authority in their treatment. It is the practice of The P.A.T. Center to use evidence-based treatment.

### LEADERSHIP:

Ronald Kirby, Chief Executive Officer  
Kristin Gannoe, MD, Medical Director  
Nicole Johnson, Clinical Director  
Allen Cooper, Director

**The P.A.T. Center- Little Rock**  
6210 Baseline Road  
Little Rock, AR 72209

## Our Mission

The **Mission** of The P.A.T. Center is to:

- Provide mental health and/or substance abuse services to persons-served via therapy, medication management, education and collateral support
- Provide a safe and humane treatment environment for staff and persons-served
- Provide information on community programming and resources to strengthen the family and/or support structures
- Provide information to reinforce individuals/family work ethics
- Provide support, continuity of care and access to professionals and support staff; staff provides an array of services and receives training in recovery, resiliency, and peer support
- To provide quality alcohol and drug treatment, intervention, and prevention services; and assist persons-served to transition maladaptive behaviors and unhealthy coping mechanisms/skills to normative conduct.
